## ADONIS COFFEE TABLE AND APHRODITE SOFA

The Adonis Coffee Table and Aphrodite Sofa form the perfect partnership. In Greek mythology, Aphrodite, goddess of love and beauty, was united with the mortal Adonis, whom the ancient Greeks considered the ultimate example of male beauty. In our modern translation of this love story, the colors of the dusty Desert sage marry well on the Aphrodite sofa. At the same time, the Adonis coffee table reflects the burnt sienna mountainscape of the Sonoran desert.
