## ATLAS BOOKSHELF

The mellow sienna of the Sonoran desert floor and dusty Sonoran desert sage become the color basis of our Atlas Bookshelf. In Greek mythology, Atlas was the bearer of the heavens and carried the world on his back. Our Atlas bookshelf is a heritage piece that will carry the world's weight in knowledge (books) for your family or colleagues.

104w X 11d X 28.75t rosa morada, hand painted
