THEA BENCH

The vibrant sea glass green of the iconic Saguaro cactus becomes part of our Thea bench; we constructed this elegant bench out of three elements: Saguaro cactus green, Plexiglass, walnut, and stainless steel. Thea is the Greek goddess of sight and vision and is also the goddess who endowed gold, silver, and gems with their brilliance and intrinsic value.

84w X 24d X 18t plexiglass, walnut, stainless steel
